As the Rehomer(s), I/We understand and acknowledge that the rescue is supplied in good faith for long term rehoming. The English Toy Terrier (Black & Tan) Club does not give any warranty expressed or implied as to the health and fitness of the rescue and that the ETT Club cannot be held responsible for any loss, damage or injury occasioned by or to the rescue.

I/We acknowledge that the ETT Club strongly recommends 3rd Party Liability and Veterinary Fee Insurance cover for the rescue.

I/We agree to pay all Veterinary and other fees for and in connection with the rescue, with the exception of any agreed fees at the time of rehoming.

I/We undertake the following conditions:

- To provide a loving and caring home environment for the rescue who must not be left for extended periods of time, and that I/we are responsible for the rescues behaviour.
- Not to pass the rescue to another person without written permission of the ETT Club.
- I/We understand that if a Veterinary Surgeon advises that the rescue must be put down to prevent further suffering in the case of severe illness or injury, the rehomer may give any necessary permissions to the Veterinary Surgeon on behalf of the ETT Club.
- If the rescue is not already neutered, he/she must not be used for breeding prior to being neutered.
- I/We will promptly notify the ETT Club if my/our contact address or telephone numbers provided above changes.

The ETT Club reserves the right to repossess the ETT rescue if the above conditions are breached.

The ETT Club is always available to give advice on the health and welfare of your dog.

The Committee send best wishes for the future to the rescue and his/her new family. May you enjoy the pleasure of each other's company in the years ahead.

I/We confirm that I/We have read and understood and agreed to the terms and conditions for rehoming an English Toy Terrier.

I/We agree to my/our contact details being held for 7 years or for the life of the rescue plus 2 years, whichever is greater.

The ETT Club will keep your contact details secure, which are only used for contacting you in connection with the rescue or rescue information, which you may find helpful.
