English Toy Terrier (Black & Tan)

Firstly, I would like to take this opportunity to thank the SKC Society for affording me the opportunity to judge my breed at their October Championship Show. Being my first appointment at Championship Show level (without CC's) I would like to thank all exhibitors for their entries. All the dogs I judged today were shown in immaculate condition, lovely clean teeth, and short nails throughout, credit to their owners.

Puppy Dog/Bitch (4 entries/0 Absent)

1<sup>st</sup> Mr R & Mrs M Bennett. Edalene in a Silent Way to Capledrae. Mature puppy with lots of confidence. Broad wedge-shaped head with alert expression. Small, dark, almond shaped eyes. He used his candle shaped ears well. Strong jaw with complete scissor bite. Good topline leading to correct turn of stifle. Moved with ease around the ring although tail carriage was high. **BPIB & Res Best Dog.**

2<sup>nd</sup> Mrs W N Imrie. Amalric Storm Angels

I have admired this little one from afar. She is very elegant and of fine bone. My notes say beautiful shape and size. Feminine wedge-shaped skull with small dark eyes and erect candle flame ears carried and used well. She has a slightly curving topline leading to a well- rounded loin. She did not want to show her extended trot today and movement was a little untidy. Shown in tip top condition.

Post Grad Dog/Bitch (3 Entries/1 Absent)

1<sup>st</sup> Mrs V Love. Witchstone Follow the Dream with Tettoy.

Well balanced, elegant young male of 2 years. Long narrow wedge- shaped head with correct & erect ears. Lovely attentive dark eyes. Strong jaw with correct scissor bite. Correct topline and not heavy in bone. Moved soundly and with purpose. Shown in lovely condition. Happy to award him **Best Dog.**

2<sup>nd</sup> Mrs C & Miss R Inch. Sharex Terrys All Gold of Edalene.

Nice overall size and shape. A little heavier in bone than first. Wide flat skull, wedge shaped. He has good dark, small eyes and small erect candle flame ears. Shoulders well laid back and good topline. Nice on the move showing good drive, shown in great condition.

Well balanced, elegant young bitch. Oozing confidence today as was her handler which made such a difference. Lovely long, narrow wedge- shaped head. Small dark almond shaped eyes Ears of good shape and size and correct scissor bite. She looked very shapely stood and did not disappoint on the move displaying the correct extended trot. Delighted to award her **Best Bitch and BOB.**

2<sup>nd</sup> Mr J Wood & Mrs H Haffenden. Nasabe Lily Marlene.

Beautiful in silhouette, elegant and compact with fine bone. Dark eyes although slightly round. Erect ears which she used well. She has a lovely topline and well- rounded loin and great turn of stifle. She displays an extended trot but for me rises a little over the loin. **Res. Best Bitch.**
